Best Golf App ★★★★★

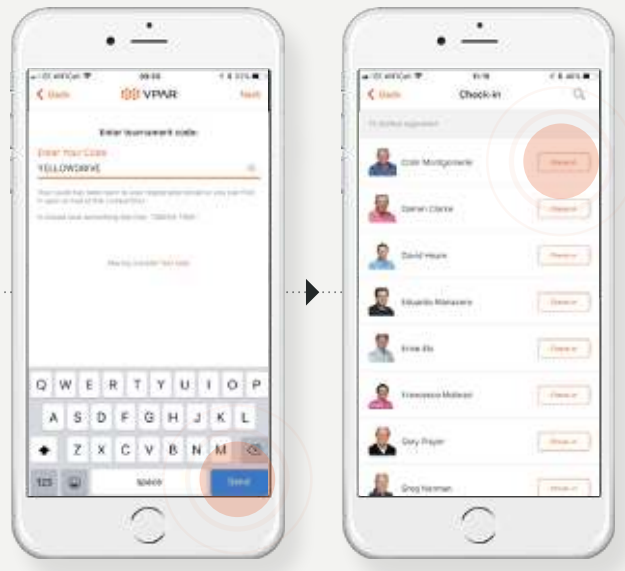

App Store review by HeynowZ
The VPAR app is hands down the best golf app I have ever used. Really enjoy the live leaderboard and performance stat tracking capabilities.

ENTER CODE & CHECK-IN

On the Day

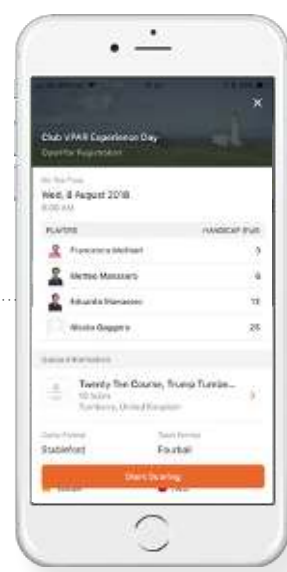

The code will be given to you on the day. Find your name, make sure your handicap is correct and check-in. Any issues find a member of staff.

SCORE YOUR ROUND

Tee Times

Browse your tournament format, see who's in your tee time and tap 'Start Scoring'.

Scorecard

This is your official scorecard for the day just like a paper copy, only better.

Player names and handicaps will be pre-loaded for your tee time.

Tap to view the GPS for each hole.

Scores and Stats

Tap an empty score box to enter a gross score.
Record putts and driving accuracy.
Team scores are automatically calculated.

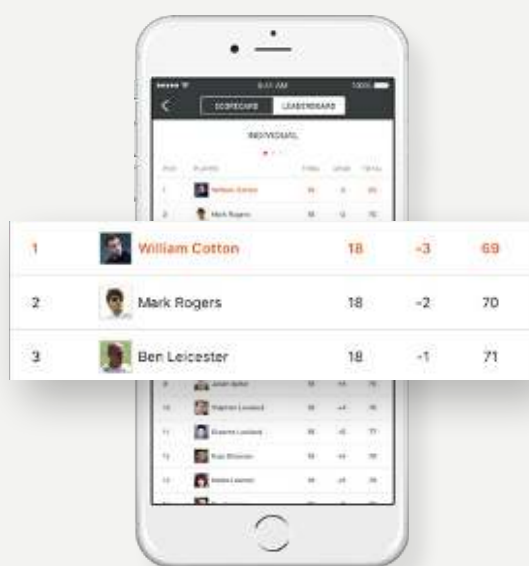

GPS & LEADERBOARDS

GPS

Tap for yardage to the front, center and back of the green.
Drag target to pin-point distances.

Leaderboards

Watch the competition in real-time.
Swipe across to select different leaderboards.
