

Alton College - skills webinar

Ashley Grute – Assistant Principal

What is our mission?

Transforming lives and fulfilling dreams through education

And our vision?

By 2030 we will be the leading regional FE college for students, staff and employers –fully equipping our communities for future work and life

And in relation to employers?

We will be the leading college for the development of skills and community ambitions through highly effective partnerships, which develop talent, opportunities and prosperity for all.

How do we engage with employers to meet their needs?

- Networking events
- Partner boards
- Account managers
- Examples:
 - CM Sports
 - Electric vehicles
 - Space Technologies programme
